

BUS DRIVER INSTRUCTIONS

From Beaudesert to Dairy Farm School:

This part of your journey will take 20 minutes to half an hour in a bus.

From Beaudesert take the Kerry Road. You know you are on the correct road if you pass the Beaudesert Golf Club on your left as you leave town.

Tommerup's Dairy Farm is approximately 21 kms from the start of Kerry Road. A warning sign that you are getting close is going past Duck Creek Road on the left and over Duck Creek bridge.

From there we are approximately 800m on the right - **2142 Kerry Road**

There is a paddock of large gum trees and the entrance to our farm is prior to the bend in the road.

The entrance to our farm has been widened to allow for large coaches but you will need to come in carefully to get through the gateway.

Please take careful note as you approach the farm as entry from the Southern end of the Valley is much more difficult than the Northern end should you miss the entry.

From Brisbane:

Follow the M1 from Brisbane, take the Beenleigh exit and follow the signs to Beaudesert along Beenleigh-Beaudesert Road.

At the traffic lights in Beaudesert take a sharp left turn, the war memorial should be on your left and a little further on, the town swimming pool is on the right.

OR

Follow the Mt Lindesay Hwy all the way to Beaudesert and at the traffic lights in Beaudesert go straight ahead onto Kerry Road, with the war memorial on your left.

From Gold Coast:

OR

At the traffic lights in Beaudesert take a sharp left turn, the war memorial should be on your left and a little further on, the town swimming pool is on the right.

Note to drivers

There are no shops in Kerry so you will need to bring all food and drinks with you for the day. We don't have potable water on the farm to refill water bottles etc.

The bus will be required to transport students to the dairy after morning tea and return after the dairy session. It's a short drive to the other side of our farm - back onto the Kerry Road - but much more time efficient than walking the students to and from the dairy.

A bus turnaround area is provided at both locations.

If you have any questions, please don't hesitate to contact us prior to your visit.
